# TO LEARN PHLEBOLOGY

The image shows two screenshots of the UEMS Phlébologie website. The top screenshot is the main page, featuring a navigation menu with links for Home page, On the front page, UEMS Phlébologie, Students' area, Our team, Contact us, Français, and Login. The main content area includes a vertical banner on the left with the text 'About Us WHO WE ARE', a central circular logo for U.E.M.S. (The French Society of Phlebology) with a caduceus and stars, and a text block on the right stating: 'The French Society of Phlebology is in Europe the French reference centre for phlebology training and is officially authorized to set up training modules with European competence degrees.' A 'MORE INFORMATION' button is located below the text.

The bottom screenshot shows a section titled 'Elements' with the subtitle 'AMAZING FEATURES'. It contains three columns of information:

- Echosclerotherapy Training:** Access to e-learning is via the "Student area" -> "Theoretical training" menu, which is only visible to registered members. This CDPP... [MORE INFORMATION](#)
- Training in thermal and non thermal ablation:** Access to e-learning is via the "Student area" -> "Theoretical training" menu, which is only visible to registered members. This CDPP... [MORE INFORMATION](#)
- Upcoming modules:** 3 other modules will gradually be added to the proposed offer. The modules concerned are as follows: Superficial veins Open Surgery... [MORE INFORMATION](#)

At the bottom of the page, there is a 'Master Phlebology' section with a lightning bolt icon, the text 'Undertake this training', and a 'REGISTRATION' button.
