Atrophie blanche (white atrophy)

Localized, often circular whitish and atrophic skin areas surrounded by dilated capillaries and sometimes hyperpigmentation.

PLUS DE VIDÉOS

The Vein Glossary, Perrin et al. 2018

The image shows a YouTube video player interface. At the top, there is a title bar with the SFP logo and the text 'Atrophie blanche (white atrophy) - Perrin et al. 2018'. Below the title bar, the main content area displays the title 'Atrophie blanche (white atrophy)' in a bold blue font, followed by a descriptive paragraph: 'Localized, often circular whitish and atrophic skin areas surrounded by dilated capillaries and sometimes hyperpigmentation.' At the bottom of the video player, there is a control bar with a play button, a progress bar, and a volume icon. On the right side of the control bar, there are icons for full screen, settings, and a share button. The text 'PLUS DE VIDÉOS' is visible on the left side of the control bar, and 'The Vein Glossary, Perrin et al. 2018' is displayed on the right side.

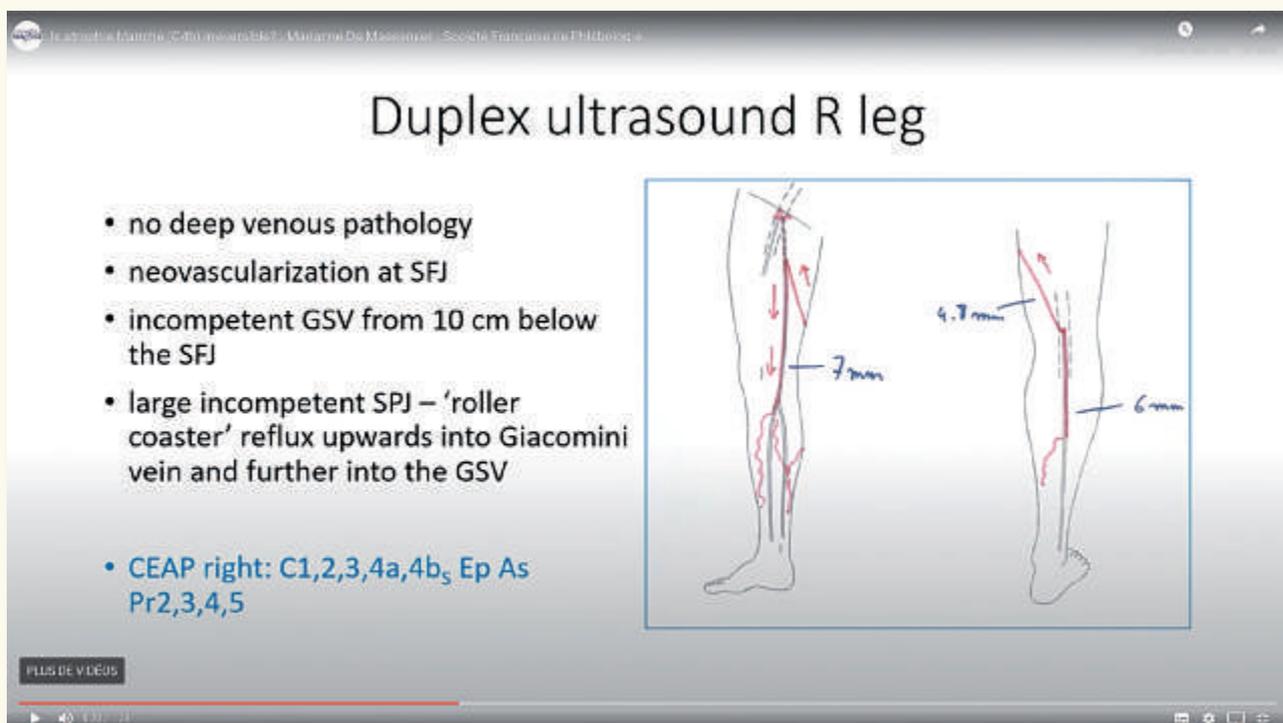

Case 1

- 48 yr old woman – teacher
- complaints of heaviness, nocturnal cramps and paresthesia R > L
- history:
  - venous ulcer 8 yrs ago R medial malleolus
  - 'bilateral high ligation and stripping of the GSV' and UGFS
- clinical examination:
  - 1,90m – 95 kg (BMI 26,3)
  - bilateral varicose veins R > L; very prominent varices at medial malleolus
  - atrophie blanche +++ at R medial malleolus:

The image shows a YouTube video player interface. At the top, there is a title bar with the SFP logo and the text 'Case 1 - Perrin et al. 2018'. Below the title bar, the main content area displays the title 'Case 1' in a large black font. Below the title, there is a list of bullet points describing the case. The first bullet point is '48 yr old woman – teacher'. The second is 'complaints of heaviness, nocturnal cramps and paresthesia R > L'. The third is 'history:', followed by two sub-bullets: 'venous ulcer 8 yrs ago R medial malleolus' and ''bilateral high ligation and stripping of the GSV' and UGFS'. The fourth is 'clinical examination:', followed by three sub-bullets: '1,90m – 95 kg (BMI 26,3)', 'bilateral varicose veins R > L; very prominent varices at medial malleolus', and 'atrophie blanche +++ at R medial malleolus:'. At the bottom of the video player, there is a control bar with a play button, a progress bar, and a volume icon. On the left side of the control bar, there is a button labeled 'PLUS DE VIDÉOS'. The text 'Case 1' is displayed in a large font at the top of the main content area.
