

VISITEZ LE NOUVEAU SITE INTERNET DE LA REVUE

VISIT THE NEW WEBSITE OF THE SFP JOURNAL

<https://revue-phlebologie.org/>

The screenshot displays the Phlébologie journal website. At the top, there are navigation links: ACCUEIL, L'ÉDITEUR, NOUVEAU! S'ABONNER + ACHÉTER À LA REVUE PAV, S'ABONNER À LA REVUE PAV, and ADHÉRENT À LA SFP. The main header includes the Phlébologie logo and the Société Française de Phlébologie logo.

Below the navigation, there is a shopping cart icon labeled "Aucun article" and a "CATALOGUE" section. The catalog lists "ARTICLES DE REVUES" and "Recommandations aux auteurs".

The main content area features a "N° 2 - Juin 2018, 71<sup>e</sup> année" section with a "LE JOURNAL" sub-section. It includes an "Editorial" and a list of articles with their authors and topics, such as "Phlébologie et facteurs de risques des Mergésiales" and "Efficacité de la compression élastique après les traitements thérapeutiques endovasculaires de la grande veine saphène".

At the bottom, there is a "SOCIÉTÉ FRANÇAISE DE Phlébologie" logo and a "Nouveaux" section with a "Cliquez pour accéder à FLIP PAV" button.

PAV 2-2021

**THE JOURNAL**

**Editorial**

- The new tools of the phlebologist. **OPEN ACCESS**  
Alford P.A.

**Original articles**

- Physiopathology and risk factors of telangiectasis  
Klein P.
- Modified Wells score and diagnosis of deep venous thrombosis of lower limbs in hospitalized patients  
Aubert S., De S., Chapp P., Desj. Xuan A.T., Alford P.A.
- A report of the "Year of the Editors" at the "10th Congress of the Union Internationale de Phlébologie" (UIP) in Antibes (1 February 2021)  
Dr. Massimo M.G.C.
- Evaluation of the effectiveness of elastic venous compression by measuring interface pressure in the management of venous ulcers  
Lalonde G., Hovvith N., Pothier P., Pothier G.
- The "COOP" study: "Conservative High Performing surgery by selective ablation of incompetent saphenous vein".  
Risse J., Crislin O., Crislin O.
- Dermal thickness measured using ultrasound in patients with and without venous leg edema  
Cohen R., Thaler D.

**Focus**

- Is it necessary to impose elastic compression after endovenous thermal treatments of the great saphenous vein?  
Lalonde M.-C., Lalonde P.
- Comparison of the results of phlebectomy and sclerotherapy during endovenous thermal procedures. Literature paper  
Quilès J., Jorès M.

**Therapeutic News**

- Prospective observational study of the effect of daily intake of Vein-Optimel, a dietary supplement on the evolution of the intensity of venous discomfort and quality of life. **OPEN ACCESS**  
Alford P.A., Gay M.

**SFP MAGAZINE**

**Digital SFP**

- Phlebological news on the SFP website

**The digital SFP**

- At the end of 2021, where are we in qualification procedures in Vascular Medicine?
- The "détail" - news items on the SFP website
- International Compression Club (ICC)
- Congresses requests handled by the SFP

**In Memoriam**

- Tribute to Professor Claude Gillet  
SFP
- Tribute to my father  
Gillet J.M.
- The SFP Review "Phlebologie Annales Vasculaires" recalls the many articles published by Claude GILLET and his team.
- The disappearance of Jacques LEHOUCQ: The family of the French Society of Phlebology loses one of its members.  
Alford P.A.
